4. Staff in plain-cloth is also deployed at times in DTC buses to apprehend pick-pockets.

5. Staff in PCR (Police Control Room) van is also briefed to keep a watch on busy and vulnerable bus stops.

Disclosure of pak links by arrested terrorists

*115. SHRI BHAGATRAM MANHAR:
SHRI MURLIDHAR CHANDRAKANT BHANDARE:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether a number of terrorists have been arrested in the last three months in and around Punjab who have admitted of having received training in terrorist activities in Pakistani jails and elsewhere in Pakistan;

(b) if so, what are the details thereof; and

(c) what is Government's reaction thereto?

THE MINISTER OF HOME AFFAIRS (SHRI BUTA SINGH): (a) and (b) Some extremists who have been apprehended recently have disclosed that they were kept in various Pakistani jails and guest houses where they received training in the handling and use of arms with a brief to indulge in terrorist activities on return to India.

(c) It is hoped that the Government of Pakistan will desist from such action which cannot but adversely affect our efforts to develop friendly relations with that country.

Shutting down of Tarapur Atomic Power Station

*116 SHRI M. S GURUPADASWAMY: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the Tarapur Atomic Power Station, which was recommissioned on 2nd May, 1986, was again shut down on 3rd May, 1986;

(b) if so, what are the details in this regard; and

(c) what steps have been taken to permanently remedy this erratic functioning of Tarapur Atomic Power Station?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI SHIVRAJ PATIL): (a) Yes, Sir.

(b) The Unit II of Tarapur Atomic Power Station was shut down on May 3, 1986 for a start-up adjustment.

(c) The performance of Tarapur Atomic Power Station has been very satisfactory with high availability factors.

Fire in heavy water plant, Talcher

*117. SHRI DHARAM CHANDER PRASHANT:
SHRI SURESH KALMADI:

Will the PRIME MINISTER be pleased to state:

(a) whether any inquiry has been held to find out the causes of fire in the heavy water plant at Talcher on April 29, 1986;

(b) if so, what are its findings and what action has been taken against those responsible for the fire; and

(c) what is the amount of damage caused to the Plant and how much time is likely to be taken for commissioning the plant again?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI SHIVRAJ PATIL): (a) Yes, Sir.

(b) Sudden leakage of high pressure synthesis gas due to the failure
